Bachelor of Arts, Media Arts and Animation | 03.2008
The Art Institute of Colorado, Denver CO 80203

WORK HISTORY:

3D Design Visualization Specialist III | Parsons Brinckerhoff | 06.2008 – 06.2010

- Worked with clients and coworkers to create realistic and stylized stills and animations.
- Accurately modeled and textured buildings in project area.
- Volunteered to lead a bridge project. Managed one co-worker until project delivery.

3D Designer | iTech Fitness | 01.2008 – 06.2008

- Rendered 3D visualizations of XRKades and gym spaces from client drawings and AutoCAD plans.

Leasing Consultant | Triton Properties | 11.2007 – 01.2008

- Opened and closed the leasing office on Saturdays.
- Took in residences rent via phone and in the office.
- Showed potential new residences apartment homes that fit their specific needs.
- Answered phones and emails.
- Set up future apartment viewings for other leasing consultants.

Graphics Generalist | TechnoHUNT | 09.2007 – 01.2008

- Re-created a system tech manual from an old existing manual. This included 3D renderings as well as formatting to make the manual user friendly.

- Aided in creating 2D and 3D illustrations for the company.
- Answered tech support phone calls.

3D Generalist | Artist Rendering and IDEAVIZ | 09.2006 – 04.2007

- Modeled, lit and textured realistic architectural renderings from blueprints.
- Created realistic illustrations and renderings of recognizable existing objects for advertising material.
- Implemented past IDEAVIZ renders into brochures for conferences.

Outreach Assistant | National Oceanic and Atmospheric Administration | 06.1998 – 09.2006

- Responsible for the design and creation of posters for international and local scientific conferences and for the halls of the National Oceanic and Atmospheric Administration (NOAA)/Physical Sciences Division (PSD).
- Designed fliers, brochures, CD covers and various other graphics.
- Developed and maintained the Intranet of the Physical Sciences Division.
- Converted over 75 hard copy Government forms to editable PDF (Portable Document Format) and added them to the Intranet site for easy access and editing.
